If you are preparing and filing the necessary documents with the Delaware Secretary of State and only require registered agent services, our current annual registered agent fee for United States addresses is **\$75** and **\$100** for addresses outside of the United States*.

In addition, you would need to pay additional fees if there are excessive out-of-pocket expenses which we incur such as expenses for certified copies, postage, telephone, complex document preparation and reproduction, and any additional governmental filing fees charged by the State of Delaware.
